

The Realities of Bone Grafting, Implant Placement, and Soft Tissue Management

The Only Class in the US Combining all Three Experiences

- 1. 6 Live Surgeries**
- 2. Interactive Presentations**
- 3. Fresh Human Cadaver Exercises**

Watch it! Talk About It! Do it!

The Realities of Bone Grafting, Implant Placement and Soft Tissue Management

A unique surgical observation, hands-on human cadaver course

Day 1 & 2

Three live surgeries each day

Lecture topics include:

- Guided tissue regeneration with membranes
- Flap designs to maintain primary closure in all situations
- Ideal socket regeneration
- Implant placement in atrophic ridges
- Immediate implant insertion in all areas of the mouth and all types of defect morphologies
- Indications for Piezosurgery
- Palatal harvesting techniques
- Emdogain rationale and use
- Allograft selection and use
- Root treatment to maximize long term success
- Root coverage techniques
- Soft tissue grafting with GBR therapy
- Soft tissue grafting at implant placement
- Decision trees for material and technique selection

Day 3

Cadaver Lab:

- Piezosurgery utilization
- Optecure® block technique
- Implant placement in the following indications:
 - At the time of sinus augmentation
 - In conjunction with osteotome techniques
 - In atrophic ridges
 - In compromised extraction sockets
- Reinforced and resorbable membrane utilization with fixation
- Soft tissue graft harvesting techniques:
 - Flapless, double blade and trapdoor
 - Buccal & palatal pedicle grafts
 - Allograft placement
- Soft tissue graft placement in conjunction with GBR using resorbable and titanium reinforced membranes
- Soft tissue grafting at implant placement
- Flap designs to ensure maintenance of primary closure in all situations
- Pedicle grafts

Course Information

Faculty:

Dr. Paul A. Fugazzotto
Dr. Kanyon Keeney

Course Dates:

March 28-30, 2019

October 24-26, 2019

Location:

25 High Street Milton, MA 02186

Tuition:

\$2395 (Days 1 & 2 only) 15 CE Credits

\$3495 (All 3 Days) 21 CE Credits

To Register

1) Return the completed form below to:

The Fugazzotto Institute for Comprehensive Implant Therapy & Esthetics
Attention: Michelle
25 High Street, Milton, MA 02186

Or

2) Email: mcollins@theicite.com

3) Call: (617) 698-6732

4) Fax to: (617) 696-6635

5) Sign Up Online: www.TheICITE.com

Course Cancellations less than 30 days prior to course are not refundable
